In 9 handbooks from 1549 to 1876

Perhaps the most famous example of 王羲之 Wang Xizhi's calligraphy commemorates an occurrence of this ceremony, in the 4th c. CE at 蘭亭 Lanting Pavilion near Shaoxing. The ceremony involves floating goblets down a stream, connecting it with #12 流觴 Liu Shang. However, *Xiuyi Yin* is used here as a preface for *Yang Chun*.
